with Chuck and Lency Spezzano

A Year Long Program for Graduates of the 100-Day Psychology of Vision Program

Commencing with a 10-Day Program with Chuck and Lency in Hawaii

January 3 – 12, 2017

The Mastery Program is for graduates of the Psychology of Vision 100-Day Program who want to continue on their healing path and do not feel called to be a Psychology of Vision Trainer, or for those who are fulfilling application requirements for the Trainers' Program.

The Mastery Program is dedicated to achieving people's personal goals, while at the same time exploring and healing the deepest aspects of the mind. The program is centered around the 10-Day Mastery Seminar in January where graduates come together in the smaller intimate setting of Spezzano and Associates Hawaii office to be part of a profound healing experience. This year-long program is an exceptional opportunity for 100 Day Graduates to receive ongoing support with monthly webinars facilitated by either Chuck or Lency Spezzano. Some applicants may be asked to improve their skills in joining before attending the program.

The Mastery Program Includes:

- 10-day exclusive Mastery Training Program in Hawaii from January 3 – 12, 2017
- Monthly video/teleconference calls with Chuck or Lency
- 50% off any personal coaching sessions with Chuck or Lency

Mastery Program Price:

\$4000 USD for the year-long program

A \$500 USD deposit to reserve your space is required by December 15, 2016
